

Cedar Crest Thrift Shop - Some New Procedures

Welcome back to the Thrift Shop. Some things have changed in the store because of the pandemic and we wanted to point them out.

1. We will be open for limited hours for the month of June. Monday to Thursday 10 a.m. to 3 p.m.
2. If you are ill or have recently returned to the area, you should not be entering our facility.
3. If the Store becomes too busy, you might have to wait your turn to enter.
4. We have rearranged our sales area and marked our floors to have customers move in the same direction to help maintain Social Distance. Please follow the arrows.
5. We have installed shields at our cash register and ask that you follow our signs to use the till safely.
6. You are welcome to bring your own bag but we ask that you pack your own items into the bag. We are unable to handle your reusable bag and encourage you to wash the bag frequently.
7. Please do not try on clothes unless it is necessary. Any clothing that you try on, and do not purchase, must be deposited in a separate bin by the cash register so it can be sanitized prior to being put back on the sales floor.
8. We are accepting donations, but we are 'isolating' those donations for a least 3 days before we handle them. Please place ALL donations in the marked bins. Do not try to hand donations to staff. Do not leave donations outside when we are closed
9. Please allow others to use the ramp or stairs without crowding.
